GOULD

WON OUT ON TWO POINTS IN THREE AND WILL LIKELY BE REINSTATED.

THE STREET RAILWAY FRANCHISE WAS PASSED AND WORK WILL BEGIN SOON ON THE LINE.

City Council met in special session at 8:05 last night with but six members present, namely: Harr, Robinson, Howard, Lilly, Haymond and Everhart.

The first order of business was the investigation, by Council, of the charges preferred against Patrolman W. G. Gould by Councilman George Lilly, but owing to members absent who were expected momentarily, both parties concerned, agreed to allow the franchise of the F. & M. Ry. Co. to be heard on its second reading. Haymond's motion to that effect was carried. This was done and upon its completion, Mr. Haymond moved that upon its third reading it should be read by title only, which also carried. At the end of this reading, Mr. Haymond moved that the franchise be granted. This was seconded and carried and the franchise was granted, without a dissenting vote.

As is generally known, Gould was accused, first, of shooting within the city, without proper or sufficient cause, on the night of May 21st, 1904, and while on duty.

Secondly, for using ungentlemanly, profane and indecent language on the same night, and while on duty.

Thirdly, for being intoxicated on the same night, while on duty.

At 9:10 the hearing was begun, with Attorneys Shaw and Morgan appearing as counsel for Gould, and City Solicitor Stanley for council.

The defendant entered a plea of not guilty and the examination of witnesses began. Chief Morgan, Assistant Chief Bartholow, Policemen Hess and Ridgely and Councilman Lilly testified for the prosecution. Their evidence substantiated the charges with the exception of intoxication, Lilly being the only one who would say that Gould was, seemingly, drunk.

At ten o'clock, Mr. Lilly moved that the time be extended thirty minutes and accepted Mr. Haymond's amendment of one hour, which carried.

Captain E. A. Billingslea, T. W. Arnett and Murray testified to seeing Gould at different hours of the night in question, and all swore that

he was not under the influence of liquor, nor could they tell that he had been drinking.

Gould was examined and admitted taking two small glasses of beer, (not, however, in a saloon), and claimed that his conduct was occasioned by excitement and anger, due to the ordeal through which he passed and the injury sustained in the fight.

Mr. Lilly made a talk to the body in which he expressed an opinion that Gould should be dismissed.

Attorney Morgan then addressed the meeting in behalf of the defendant, and also presented a petition signed by citizens of the Second ward, to which Stanley and Lilly objected. The defendant's counsel did not press the question and the matter dropped. Mr. Shaw closed with a talk admitting that Gould was guilty of slight indiscretions, due to excitement and that the council should fix some penalty.

At 11:20 Mr. Haymond moved that council pass on the case, but His Honor, the Mayor, ruled that each charge be voted upon separately, either by ballot or by ayes or noes. Lilly demanding the latter method. Clerk Engle called the names of those present and the following is the vote on the first charge, that of shooting: Harr, Robinson, Haymond and Howard not guilty; Everhart and Lilly guilty. When Lilly's turn to vote came, defendant's counsel objected to him voting, not particularly on account of personal interest in the matter, but because he was the one who filed charges and took an active interest in conducting the case as well as examining and cross-questioning witnesses, and appearing as a witness. The chair ruled that he be allowed to vote.

On the second charge, that of using ungentlemanly, profane and indecent language, the members all voted guilty.

On the intoxication charge, Harr, Robinson and Howard voted not guilty, Lilly, Everhart and Haymond voting guilty. This tie was broken by the Mayor voting not guilty.

As the time for adjournment arrived, 11:30, Councilman Howard refused to stay longer and necessitated that action.

Albert Alexander was brought to the Miners' Hospital from Ocean Mines, suffering from a broken leg and a scalp wound. He was hurt in the mines.

There is no hope for a convicted man who boasts of his mistakes.

SIX INDICTMENTS

FOUND AGAINST THE STRIKING MINERS IN THE HANGING ROCK DISTRICT.

IRONTON, Ohio, June 15.—The special grand jury, which was called Monday a week ago to investigate the causes of rioting in Hanging Rock the evening of May 30, and which was dismissed last Thursday because of the allegation that certain witnesses had gone to Kentucky, made its report Tuesday evening. The report says that the jury had been in session five days and had examined forty-four witnesses, returning six indictments. Three indictments are against Hanging Rock strikers for shooting with intent to kill. The names of those indicted are withheld because the men are not in custody.

ST. LOUIS, Mo., June 15.—The sub-committee of the Democratic National committee on convention arrangements met at 10 o'clock this morning at the Hotel Jefferson to receive from the St. Louis business men's League, the Coliseum and guarantee fund. It was reported that W. J. Bryan, though not a member of the committee would arrive this morning. This, if true, is taken to indicate that he intends to take advantage of the assembling of the leaders representative elements of the party to discuss the approaching convention and that a political conference which may have important bearing on the campaign will develop.

Though members of the committees who are here denied that any conferences were being held, it is considered significant that Dan J. Campau, of Michigan; Col. J. M. Guffey, of Pennsylvania and James M. Head, of Tennessee, were in conversation for several hours in the lobby of the Hotel Jefferson last night.
